With outstanding milk production abilities, VALFIN JB is positive in Protein and Fat contents. But to be a profitable cow, you also need health! And VALFIN JB got it: Improver in all functional traits, he can be used on heifers and will give you healthy cows. Moreover, VALFIN JB gives perfect udders: balanced, well attached and developed to produce good quality milk. VALFIN JB daughters will be tall and deep cows with a good rump and strong feet and legs.

With a very good temperament, having VALFIN JB in your herd is safe and efficient for your production.

VALFIN JB is alive, in a perfect shape, and ready to take up the challenge: produce the semen for whoever asks for it.
